

Guilford Recreation Commission
Meeting Minutes
Wednesday, July 13, 2022

I. Commissioners in attendance : Kelsy Allan, Ragan Beebe, Mary Wallace-Collins, Chris Zappala

II. Call to Order: 6:31pm

III. Approval of Minutes: (from 06/09/2022): Unanimously approved

IV. Finances: Bike night donations and expenses were equal. The Commission feels it needs some clarity on its finances and will contact the town offices with management of its funds going forward.

V. Old Business:

1. **Playscape ADA work** - The Selectboard was unable to approve funding for the maintenance of the Playscape path because of the status of the Playscape within the list of town properties. Commission will solicit estimates for the work needed and is considering paying for this maintenance itself.
2. **Calendar for the year-** A number of ideas were suggested and talked about for the coming year, in addition to the now annual Trunk-or-Treat, Winterfest, and Bike Night. The Rec. Commission is planning for many additional events in the BBCC, which will provide an indoor space, particularly in the winter months. The Rec. Commission talked about partnering with other Guilford groups to expand the clientele that regularly visit Rec. Commission events.
3. Field day: was scheduled for September 18, Preliminary planning for this event, and the Town picnic was discussed.

VI. Adjournment: 7:39pm
