We encourage you to get to know our town better by studying this road map and exploring our town roads. Here are some suggestions:

- ▶ Take a quiet drive to a new part of town.
- ▶ Walk or cycle along one road at a time.
- ▶ Look for streams and ponds and how they connect to other waterbodies in Guilford.
- ▶ Try to identify trees and plants along the roadsides.
- ▶ Look for signs of life in earlier days — stonewalls, historic markers, and historic homes and buildings.
- ▶ Stop and wander around a roadside cemetery.
- ▶ Take note of the work done by our road crew — culverts, bridges, ditches, road signs, and markers.
- ▶ Be adventurous and walk along a Class IV Road or Legal Trail (some are rough going, but all are open to those who want to explore).
- ▶ Know the difference between a “road” and a “drive” (roads are maintained by the town, drives are private).
- ▶ Mark your favorite places on the map.
- ▶ Look for more maps of Guilford on the Conservation Commission pages of the town website (<https://guilfordvt.gov/conservation-commission/conservation-maps/>)
